CONFIDENTIAL

9 February 19

MEMORANDUM FOR: Chief, Management Staff, OCI

SUBJECT : Educating the Air Force

1. From time to time we have opened our doors to instructors from the Air Force Special Operations School at Hurlburt Field, Florida. These are junior officers who serve as instructors for both U.S. and foreign military personnel attending the school.

do not have special clearances, but nonetheless, will benefit from the exposure to less exotic material. I have talked to

3. I am attaching a list of the officers and their areas of interest along with some of the questions they have asked. I realize some of these are rather naive by our standards, but that is the climate at Hurlburt. and perhaps we can help. I have asked to have these
